Southern Baptist Theological Seminary | *May 2024*
M.A. Church Leadership | *Rice-Judson Scholarship Award*
University of Mobile | May *2017*
B.S. Worship Leadership, emphasis in Worship Technology
Suma Cum Laude

VOCATIONAL MINISTRY EXPERIENCE

Student Minister* | *Lakeside Baptist Church - Birmingham, AL
December 2025 - January 2026
After working for Lakeside for a short period of time, it became clear that I was not a good fit for the church. While the brevity of my tenure was unfortunate, I have come to agree with this assessment and am thankful that the Lord helped the pastoral staff identify this sooner rather than later, both for the sake of the students and for my family.

- Conducted a smooth exit transition that maintained unity among the Body at Lakeside.
- Learned to trust the guidance of the Holy Spirit and stand behind the wisdom of senior pastoral leadership, even amid tense emotions and clashing opinions.
- I welcome the opportunity to discuss this experience in greater detail and also encourage a conversation with Lakeside's Executive Pastor, Stacey Boutwell, who you can find on my list of references.

Student Pastor* | *Parkway Baptist Church - Augusta, GA
February 2024 - August 2025
In my role at Parkway, I planned and preached Sunday and Wednesday student services, built intentional relationships with students and families, and established and continually develop both an adult volunteer and a student leadership team. Additionally, I rotationally preached in the main Sunday service, supported the Lead Pastor in vision casting and implementation, and assisted other church ministries as needed.

- Developed church-wide parent-equipping emphasis to increase partnership with parents in student discipleship, including planning and implementing annual "Parenting with Purpose" events.
- Established a calendar of events including summer camp, Encounter WKND, quarterly special programming, and local service projects which led to a substantial increase in engagement and attendance from students.
- Developed church-wide digital infrastructure, including designing a website, building a staff email system, and establishing an online giving platform which allowed the church to increase the quality of our communication and obtain non-profit status.

Full Time Student* | *The Southern Baptist Theological Seminary - Louisville, KY
January 2020 - May 2024
At Southern Seminary I attended classes full time where my primary focus was Bible, leadership, and applying principles of missiology to Western contexts of reaching Gen Z and Gen Alpha with the gospel. Additionally, I emphasized practical application of my studies in service to the local church.

- Completed a Pastoral Apprenticeship under NAOBC's Executive Pastor which included attending weekly ministry training, assisting with daily church functions, and accompanying the pastoral staff on hospital visits.
- Served as a student ministry volunteer, leading middle and high school boys' small group discussions and preaching Sunday morning large group services on a rotation.
- Participated in and led a young couples small group, rotationally leading curriculum-based teaching, facilitating discipleship group discussion, and planning and hosting group events.

VOCATIONAL MINISTRY EXPERIENCE CONTINUED

Ministry Resident* | *Warren Baptist Church - Augusta, GA
August 2023 - February 2024
I participated in a residency program supporting children's ministry where I participated in bi-monthly leadership training classes and assisted in planning and preparing for weekly services and special events.

- Taught group Bible study on a rotation and filled in when scheduled teacher called out on short notice.
- Wrote the large group skit for the church's VBS curriculum.
- Developed a system for scheduling consistent social media posts ahead of time.

Director of Worship Media* | *Cottage Hill Baptist Church - Mobile, AL
July 2017 - October 2019
In this role I anticipated and met AVL needs in support of church ministries, maintained and upgraded equipment, and oversaw tech needs and volunteers for multiple campuses with a complex calendar of special events.

- Assisted in the technical planning, development, and establishment of two new campuses.
- Established a discipleship emphasis for tech volunteer teams.
- Attended monthly ministry leadership development sessions led by Senior Pastor.

PROFESSIONAL EXPERIENCE

Account Manager* | *Peacock Insurance
***J**anuary 2025 - Present*

- Commercial and residential sales helping churches and Individuals identify and fulfill their insurance needs.
- Ensure customer retention through a proactive re-marketing strategy that identifies and addresses client's needs ahead of time.
- Utilize Customer Relationship Management Tools to communicate effectively and consistently.

Assistant Operations Manager* | *All American Chimney Service - Louisville, KY
January 2022 - May 2023

- Ensured customer management systems were being maintained and utilized properly.
- Performed daily job audits to ensure technicians were upholding company standards.
- Oversaw and implemented systems to improve communication with clients and workforce efficiency.

Team Member* | *Chick-fil-A - Louisville, KY
May 2021 - January 2022

- Supported front of house operations by taking and fulfilling orders, maintaining cleanliness and organization, and anticipating guest needs.
- Assisted in the fulfillment and delivery of catering orders.
- Stocked and organized inventory from daily shipments.

Supervisor* | *UPS - Louisville, KY
October 2019 - May 2021

- Trained new employees on proper work methods.
- Cultivated relationships that strengthened morale and employee retention.
- Assisted senior management in completing daily audits and additional tasks and needed.

The Lord called me to vocational ministry in college, first as a tech director and then to seminary in pursuit of a pastoral role. During my time in seminary, my professional work outside of the church gave me countless opportunities to share my faith with people from all walks of life. Working in these contexts, I developed an urgency and boldness for sharing the Gospel with the people around me and a passion for ministering to the next generation.

In my time as Student Pastor at Parkway Baptist Church, I further developed those passions, learning to equip and mobilize students, parents, and volunteers to do the same in their own circles of influence. As a student pastor, my greatest and most prayer-fueled commitments are teaching students to love God and live on mission, equipping parents to be the primary disciplers of their kids, and casting a vision to volunteers that empowers them to make a tangible investment in the lives of students.

I have a wife of eight years and a four-year-old adopted son. In 2023 my wife was assigned to Augusta as her duty station at work, and the Lord was faithful to provide incredible ministry opportunities in that season. Since then, she has received a permanent assignment in Birmingham, where we can finally plant roots and settle in a church long-term. As a Birmingham native, I am eager to serve the local church and greater community here in my hometown!

In Christ,

Seth Peacock
